The #1 Design Secret

YOU NEED TO KNOW FOR
AN EVENT OF ANY SIZE

Whenever we invite people into our home,
whether it is a quick visit with the farm
animals or Sunday supper, we always want
them to feel welcome with open arms. I
always have our guests, and my clients' guests,
experiencing one of the five senses;

WHETHER THEY ARE *touching* THE BEAUTIFUL
TABLESCAPE AND PLACE SETTING, *hearing*
THE SOOTHING BACKGROUND MUSIC,
tasting THE WONDERFUL MEAL THAT'S BEEN
PREPARED, *smelling* THE DELICIOUS DESSERTS
WAITING TO BE DEVoured, OR *seeing* HOW
MUCH ATTENTION WAS BROUGHT INTO
MAKING THEM FEEL SPECIAL.

How will you
incorporate
the five senses at
your gathering?
